

TRINIDAD & TOBAGO

A BIRDER'S TRIP

These tropical islands are a famous birding destination with colorful Honeycreepers, Motmots, Tanagers, Scarlet Ibis and many others. **Bob Quinn** and **Becky Suomala** will introduce you to some of the wonders.

From the unique Oilbird to the hummingbird show on the Asa Wright veranda to the tropicbirds of the blue waters on Tobago. Come and enjoy this free presentation!

Thursday, October 18, 2018 @ 7:00 p.m.
